KIDS MULLET CHAMPIONSHIPS CROWNS WINNER FOR 2020 CONTEST!

After over 20,000 votes and over 50,000+ reactions on social media, Mullet Champ USA has announced the 2020 Kids Mullet Championship winner!

The Michigan based contest went viral in September with kids all over the country showing off their mullets! The team at Mullet Champ has tallied up the votes and has crowned Jax from Texas as the winner of the 2020 Kids Mullet Championships contest! Kevin Begola and the team at MulletChamp.com determined the winner on October 27th after authenticating all of the votes to confirm there was no cheating or hacking of the system in place.

Jax will receive the \$500 cash prize along with a gift card package from Bridge Street Exchange in Fenton. Second place was awarded to Noah from Illinois who will receive \$200 cash, Neff shades, and a gift card package from Bridge Street Exchange. Third place was rewarded to Jude from Colorado who will receive a \$100 cash prize along with Neff shades and a gift card package from Bridge Street Exchange.

Kevin Begola (President of the USA Mullet Championships) plans to host this contest again next year along with the adult version “USA Mullet Championships” in 2021

“The contest has blown up with over 20,000 votes from all over the country! It has been truly amazing to see these kids get all the spotlight and have this contest get picked up by the local news, radio stations, and even national outlets like BroBible and Yahoo! During these tough times it’s important to have fun. This is exactly what 2020 needed!”
